Pending before the Court is Defendant's motion, brought pursuant to 18 U.S.C. § 3582(c)(2), to reduce his sentence based on a subsequent reduction in the applicable sentencing guideline. (Doc. # 90).^{*} On November 1, 2010, pursuant to the Fair Sentencing Act of 2010, the United States Sentencing Guidelines were amended resulting in reductions in the guidelines in Section 2D1.1 for cocaine base. These temporary, emergency amendments to the Guidelines took effect on November 1, 2010. Permanent amendments implementing the Act were promulgated on April 6, 2011, with an effective date of November 1, 2011. Subsequently, the Sentencing Commission voted to give retroactive effect to the permanent amendments. Pursuant to a Standing Order entered on

^{*} On November 1, 2007, the United States Sentencing Guidelines were amended to reduce by two levels the guidelines in Section 2D1.1 for cocaine base (also known as crack). Subsequently, the Sentencing Commission amended Section 1B1.10 to make the crack amendment retroactive, effective March 3, 2008. Defendant's motion was actually filed seeking a reduction under the 2007 amendments. This Memorandum Opinion and Judgment Order gives defendant the benefit of both the 2007 and the 2010 amendments.

October 7, 2011, this case was designated for Standard consideration.

The Court has received and considered the original Presentence Investigation Report (PSI), original Judgment and Commitment Order and Statement of Reasons, addendum to the PSI received from the Probation Office, and any materials submitted by the parties on this issue. The Court has also considered the applicable factors under 18 U.S.C. § 3553(a), consistent with § 3582(c)(2), and public safety.

The United States has indicated that it does not object to a reduction in the defendant's sentence that is within the revised guidelines range.

Based on the foregoing considerations, defendant's motion is **GRANTED**. The Court **ORDERS** that Defendant's base offense level be reduced by four levels, resulting in a new total offense level of 32. It is further **ORDERED** that Defendant's previous sentence be reduced to 168 months. This Order is subject to the prohibition contained within U.S.S.G. § 1B1.10(b)(2)(c).

The Clerk is DIRECTED to send a copy of this Memorandum Opinion and Judgment Order to defendant, the Federal Public Defender, counsel of record, the United States Marshal for the Southern District of West Virginia, and to the United States Probation Office for forwarding to the Sentencing Commission and Bureau of Prisons.

It is SO ORDERED this 22nd day of April, 2013.
